The Assistant Commissioner's order no: 2357 dated 24th instant.

Perd 4/7/03

With reference to the above begs to state that the incident of the two officials going to Kollegal and Yelandur to seek bidders for Maudya Taluq Sales was accidental rather than intentional as explained hereunder.

The undersigned had given a general oral permission to the two circle Assistant Inspectors in the Taluq to go to any place and bring bidders for their circle shops. In the present instance Subba Rao had gone to Kollegal on the 21st ~~instant~~ proceeding to seek Ranjiah a Renter of Malavally Taluq who was tapping trees in Maudya Taluq to demand the arrears of Tree Tax Rs 70/- and odd due by him to the end of April and also to bring his lenders to the Maddur circle shops. I came to know that the relatives of some Ediggers in this Taluq

had left the Taluq and were working shops in Mambally Agara and other villages in yelandur Taluq, leaving Mandya on account of the supremacy of Annegowda here. The sales of yelandur was fixed for 2a-9 The undersigned thought it the best opportunity to go to yelandur and meet and induce those men. This was done and these had gone for Mandya sales and by their influence the local Renters had individually given their tenders for all shops of A Annegowda which are now even with me. I went straight to Kollegal from Mandya on 21st May and was surprised to see Subba Rao there. But as Malavalli was my jurisdiction I have charged why from Malavalli in the Bill. I had no opportunity to know the whereabouts of Subba Rao on that day, as I was travelling in mail just soon after I got down from train from Mandya. As Subba Rao was at Kollegal and as he said that he personally knew the Renters I had thought if he was asked to follow me and the our work was fairly accomplished.

Under the above circumstances begs that the Bill may be kindly sanctioned.
